

Noticeboard

Moved into our new premises over December /January. Its got a bit more space and I am now in a position to accept collections and show future customers some of the presses we might have.

Below is some of the projects I have sales for and will shortly have them assembled and photographed.

Later in the year I will be building a one Off Cachet and Boxer press, if you are interested get in touch.

1. One brand new 40x 76cm Gem press (Sage) crank handle , 4 to 1 Gear ratio can be ready quickly just needs assembly £1290.
Great budget press, professional results , tried
And tested model.

2. One nearly new 40cm Kudos for sale in Dark Green.
This press is one year old and in good condition.
It comes with the stainless steel rim wheel.
It has to be checked out and photographed but can be viewed.

3. One only, Baby Boxer press. This press
Has a 40cm x 81cm bed and a gear ratio of
13.5 :1 . It also comes with a 45cm Stainless
Steel rim wheel and finished in Caribbean
This press needs to be assembled and photographed
And properly valued.
This press is the best 40cm press I have ever made or
seen and it hard to think how it could be bettered.
No one in the UK builds presses like this.
