

Stainless Steel Top and Bottom Rollers Option

When a press is being kept in a outhouse /garden studio we recommend this option. The stainless steel rollers are corrosion free and need little care whereas the steel rollers in that environment need care.

Model	50cm	45cm	40cm	35cm	30cm
Boxer	220	200			
Kudos		180	170		
Gem		180	170	160
